

Professional Experience

2D Animator - *DopaGE*

October 2024-Present

- Storyboarded, animated, and composited 2D animated short films for educational use
- Focus on character animation as well as reinterpreting scientific diagrams and concepts for animation
- Often self-driven and self-managed

Marketing & Graphic Design Coordinator - *Sugar Beet Food Co-op*

November 2023-October 2024

- Controlled and maintained the branded aesthetic of the store (signage, marketing materials, etc.)
- Spearheaded video and social media content
- Singlehandedly created a motion graphics-based social media asset library for team use
- Designed merchandise sold in-store

Hybrid Designer - *Accenture Flex for Google*

March 2022-August 2023

- Created and animated visual assets based on client requests
- Worked on both self-directed and collaborative video projects
- Designed and produces work ranging from complex character animations to UI walkthroughs
- Adhered to a very strict style guide with distinct branding

2D Animator - *NewScape Inc.*

Dec 2020-Dec 2021

- Contributed to every part of the pipeline, including storyboarding, background art, and directing
- Maintained high aesthetic standards while directing episodes
- Produced 10-12 minute animated YouTube videos weekly alongside a small team
- Worked on both traditional frame-by-frame animations as well as building assets for 2D puppets

Illustration Intern - *KidsKnowIt Network*

March-September 2017

- Organized biweekly meetings to distribute tasks among employees
- Established the style, branding, and templates used by the team
- Ensured the team follow the established aesthetic
- Led a team of fellow interns as we collaborated in illustrating educational coloring pages

Notable Freelance Projects

2D Animator - *Solar Punks*

December 2024-January 2025

- Contributed to this animated pilot that was a winner of *The Aspen Institute's Planet Media Call for Pitches*
